* Please call for all Rush & International deliveries to receive a quote. Quotes are based off of UPS size & weight guidelines.

*FedEx shipping is available by use of customer's account. Post Office shipping is only available for extremely small & all international orders.

Absolute reserves the right to make any changes on price without notice. Misuse of fencing equipment voids any implied or stated warranties.

Time Estimates on Domestic Shipping

The above UPS map estimates the time of arrival for your package and is *very accurate*, but not guaranteed.

To calculate your order's time of arrival please add the appropriate amount of days (noted above) from, but not including, the day your package will be shipping out. *i.e. if your package ships out on Wednesday and you live in North Georgia, your order will arrive on Friday.*
